Sauk Village NO BULLYING PLEDGE

85% of teens
have
witnessed
bullying.

types of bullying

hitting	teasing	mean looks
pinching	taunting	rude gestures
pushing	name-calling	ignoring/shunning/isolating
showing	insulting	tricking/manipulating
kicking	mimicking	excluding others
poking	threatening	picking on someone
bumping	blackmailing	taking things
tripping		spreading rumors, lies,
pulling hair		gossip verbally/on passed notes

If you witness bullying you are a bystander. (Think about how YOU might feel if the bullying was happening to you.) You can help even when you aren't close friends with the person who is being bullied. Some bystanders join in the bullying while others do nothing. A bystander can stop it!

- Don't just stand there— Kids who bully may think they're being "funny" or "cool." If you feel safe, tell the person to STOP the bullying behavior. Say you don't like it and that it isn't funny. (Do not put yourself in an unsafe situation.)
- Don't bully back by insulting the bully or starting a fight.
- Help the person bullied to understand that it's not his or her fault. Say something nice like, "I'm sorry about what happened." Offer to walk with or sit with someone who has been bullied, especially in places where the bullying may occur.
- Pay attention to the other kids who see the bullying. Are any of them laughing or joining in? If they are, these kids are a part of the problem. Let those students know that they're not helping. DO NOT be one of them!
- Report the bullying to a trusted adult. (Parent, teacher, school counselor, school nurse, coach, principal, cafeteria or playground aid, bus driver, school resource officer, or another adult who can help.)
